**Saturday, November 15, 2008****Toronto, Tibet, and Trees**

From the National Post, [a story](#) about involving Toronto's Tibetan immigrants with their urban environment - specifically the trees. Toronto has what some are calling the largest population of Tibetans outside Asia, most fairly recent refugees. Many live in the Parkdale area and two groups, Local Enhancement And Appreciation of Forests and Greenest City, are providing tree tours and initiating community gardens with the Tibetan population.
