# LEAF – Local Enhancement & Appreciation of Forests

LEAF is a not-for-profit organization dedicated to the protection and improvement of our urban forest. We can help you beautify your yard with expert advice and quality service!

## The right tree in the right place.

We want you to be happy with your backyard tree. That's why we work with you to:

- **assess** the soil and light conditions of your yard
- **ensure** your tree has enough room to grow both above and below ground
- **recommend** planting locations and species that will thrive

### Full Service Tree Planting Program

From \$150 to \$220 for:

- 30 minute yard consultation with an arborist
- 5 to 8 foot tall native deciduous tree (2 to 4 foot tall native evergreen tree)
- delivery and full planting service
- mulch and tree care guide

### Do-It-Yourself Tree Planting Program

From \$100 to \$170 for:

- online workshop and videos
- 20 minute virtual consultation with an arborist
- 5 to 8 foot tall native deciduous tree (2 to 4 foot tall native evergreen tree)
- delivery (property owner plants)
- mulch and planting/care guide

### Native Shrubs

- single shrubs from \$30
- specialized bundles of four shrubs for \$100
- mulch and planting/care guide

### Native Garden Kits

From \$145 to \$265 for:

- songbird, butterfly, bee or shade-thriving kit
- pre-selected native shrubs and perennials
- sample garden designs
- mulch and planting/care guide

### Cedars and Pawpaws

- eastern white cedars from \$50
- pair of pawpaw trees for \$120

All prices subject to HST
