The Bloordale Adopt-A-Street-Tree Project and Botanicus Art Ensemble are greening Brockton and Bloordale with the help of LEAF and the Young Urban Forest Leaders (YUFL) Program!

This summer, we are working to re-energize community interest in planting and caring for our trees!

## Why plant trees?

Trees provide us with many health, environmental and economic benefits, such as...

- cooling
- improved energy efficiency
- stormwater management
- shade
- improved mood
- noise reduction
- increased property value

## Tree Tour

Learn about the importance of trees and how to care for them on a guided tree tour through MacGregor Park.

### **MacGregor Park**

Saturday, August 24th, 2019
