LEAF – Local Enhancement & Appreciation of Forests

LEAF is a not-for-profit organization dedicated to the protection and improvement of our urban forest. We can help you beautify your yard with expert advice and quality service!

The right tree in the right place.

We want you to be happy with your tree. That's why we work with you to:

- **assess** the soil and light conditions of your yard
- **ensure** your tree has enough room to grow both above and below ground
- **recommend** planting locations and species that will thrive

Multi-units and businesses also qualify!

Full Service Tree Planting Program

From \$150 to \$220 (species dependent) for:

- 30 minute yard consultation with an arborist
- 5 to 8 foot tall native deciduous tree (2 to 4 foot tall native evergreen tree)
- delivery and full planting service
- mulch and planting/care guide

Do-It-Yourself Tree Planting Program

From \$100 to \$170 (species dependent) for:

- online workshop and videos
- 30 minute virtual consultation with an arborist
- 5 to 8 foot tall native deciduous tree (2 to 4 foot tall native evergreen tree)
- delivery (property owner plants)
- mulch and planting/care guide

Native Shrubs

- single shrubs from \$30
- eastern white cedars from \$50
- themed bundles of four shrubs and delivery for \$100
- mulch and planting/care guide

Native Garden Kits

From \$145 to \$265 for:

- songbird, butterfly, bee or shade-thriving
- pre-selected native shrubs and perennials
- sample garden designs
- planting/care guide

All prices subject to HST
Prices and species subject to change
